“**PEAK SAFETY**  
**PEAK PERFORMANCE**”

**Peak Safety Consultants** was set up to assist businesses manage the health and safety of their premises and people more effectively and efficiently. Health and Safety has become a headache for businesses in recent years as it is becoming more and more important for business to actually act and implement regulations and legislation. The days of paying lip service are over with regular checks and audits taking place as standard from the health and safety authority. Peak Safety can take the worry out of health and safety and give you the peace of mind that should you have an inspection or audit from the health and safety authority that you will have all of your “i’s dotted and t’s crossed”. We tailor our service to suit your individual health and safety needs and your budget.

Donacha O’ Dwyer - Managing Director
